INTER-LOCAL AGREEMENT

CONTRACT ID# ILA_10072_2021

THIS INTERLOCAL COOPERATION AGREEMENT (the "Agreement") is made and entered into effective the 24th of May, 2021 between the CITY OF DAYTON, a government agency organized in Washington State, ("CUSTOMER"), and the JAMESTOWN S'KLALLAM TRIBE ECONOMIC DEVELOPMENT AUTHORITY, a political subdivision of a Federally recognized Indian Tribe, dba Jamestown Networks ("JNET"). CUSTOMER and JNET are sometimes referred to in this Agreement as the "Parties."

RECITALS

- A. CUSTOMER wishes to obtain services ("Services") from JNET, as follows:
 - Services described in attached Exhibits ("Service Order Summary"). JNET uses the network infrastructure and personnel resources of Northwest Open Access Network ("NoaNet"), a Washington nonprofit mutual corporation, which operates a statewide fiber optic network. JNET has, by separate agreement, secured the services and personnel of NoaNet to provision and maintain the services provided to CUSTOMER as set forth in this Agreement.
- C. JNET is willing to provide the services CUSTOMER requires, as referenced in A above, for the consideration as set forth in the attached Exhibits.

AGREEMENT

Now, therefore, CUSTOMER and JNET, in consideration of the mutual benefits hereunder, agree as follows:

1. PURPOSE AND SCOPE

The purpose and scope of this Agreement is to specify the terms and conditions under which CUSTOMER and JNET will undertake Services. The details are described in Exhibit A to this Agreement.

- 1.1 CUSTOMER's Obligations:
 - a. CUSTOMER hereby agrees to provide JNET, and its vendor NoaNet, access to CUSTOMER's personnel and facilities to complete the setup of LGN Service specified in the Exhibit A, which service may only be used for lawful purposes, for the compensation set forth in that exhibit.
 - b. CUSTOMER agrees to pay JNET for the Service, as stipulated in Exhibit A to this Agreement, in a timely manner.
- 1.2 JNET's Obligations:
 - a. JNET, through its agreement with its vendor NoaNet, agrees to operate and maintain the facilities ("Facilities") and Services as set forth in the Exhibit A for the compensation set forth in that exhibit.
 - b. JNET agrees to provide the Services in a responsible and business-like manner, in exchange for the compensation stated in Exhibit A to this Agreement.
- 1.3 Property Ownership and Disposition. The Parties shall retain their respective ownership of all of their properties. This Agreement does not contemplate joint ownership of property and, therefore, does not contain provisions regarding disposition of property owned by either Party.

2. TERM

The initial term for each service included in the Service Order Summary shall commence on the service "Effective Date". The Effective Date shall be the date on which the Services first become available for use by the CUSTOMER.

Thereafter, each specific service included in the Services shall automatically renew for successive one (1)-year terms unless terminated by either party upon no less than thirty (30) days written notice prior to the end of the initial or renewal term, or unless otherwise specified in the Service Order Summary.

This Agreement shall continue until so terminated by written notice. Upon termination of this Agreement, all rights of CUSTOMER to order new Services will cease and JNET, and NoaNet through its agreement with JNET, shall have no further obligations to furnish new Services to CUSTOMER.

3. COMPLIANCE WITH LAWS

Each Party shall comply with all applicable laws and regulations in the exercise and performance of its rights and obligations under this Agreement.

4. FIBER OPTIC EQUIPMENT AND FACILITIES

- 4.1 No Representations or Warranties. EACH PARTY MAKES NO REPRESENTATIONS, WARRANTIES, COVENANTS OR ASSURANCES: (1) WITH RESPECT TO THE DESIGN, CONSTRUCTION, DURABILITY, SUITABILITY OR RELIABILITY OF THE EQUIPMENT OR FACILITIES, OR ANY PART THEREOF, WHETHER EXPRESS OR IMPLIED, AND EACH PARTY SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY AND ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; (2) WITH RESPECT TO THE NATURE OR ACCURACY OF THE DESCRIPTION, LOCATION OR MEASUREMENT OF THE EQUIPMENT OR FACILITIES, OR ANY PART THEREOF; AND (4) WITH RESPECT TO INTERRUPTION OR CONTINUATION OF THE FACILITIES AND/OR SERVICES.
- 4.2 Unauthorized Access/Breach. Except as provided in this Agreement, each Party is prohibited from accessing, directly or indirectly, the other Party's equipment or facilities, or any part thereof. Any unauthorized access by either Party of the other Party's equipment or facilities, or any part thereof, shall constitute a material breach of this Agreement and a default by the unauthorized Party under this Agreement.
- 4.3 Approval of Design and Interconnection Specifications. Each Party shall provide, as reasonably requested from the other Party, information relating to the proposed design and/or installation specifications prior to modifying or making any connection to the CUSTOMER facilities or associated equipment or facilities.
- 4.4 Installation. Both Parties shall mutually agree to a work schedule during which the interconnections for the fiber optic equipment or facilities can be made. Each Party shall timely complete all such work within the agreed upon schedule.
- 4.5 Cooperation and Coordination. Each Party shall cooperate with the other concerning the timing, method or placement of its construction, installation and testing activities.

5. ALTERATIONS, MAINTENANCE AND REPAIRS

- 5.1 Scheduling/Notice. Except as set forth in Section 6.2, each Party, at its sole cost and expense, may schedule and perform or cause to be performed scheduled alterations, maintenance and repairs on its own fiber optic equipment or facilities, or any part thereof, at the times and in the manner as may be established by the owner thereof. Subject to the provisions of Section 12, the Party scheduling work shall provide two (2) weeks prior written notice to other Party identifying the time, location, and nature of each scheduled alteration or

maintenance and repair job for performance thereof which reasonably presents a substantial risk of damage to the other Party's property or creates a substantial likelihood of an interruption of fiber optic equipment or facilities. If fiber optic equipment or facilities include redundant fiber pathways, work will be scheduled to include no more than one pathway at any given time.

Each Party shall furnish on a continuing basis the current name, title, telephone number, and personal communications device number (including facsimile transmission number, cellular telephone number and paging device number), if any, of any representative who shall be kept informed of maintenance schedules.

5.2 Maintenance, Repair, and Restoration of the Cable.

5.2.1 Maintenance of Fiber Optic Equipment or Facilities.
Reserved

5.2.2 Restoration Priorities and General Requirements.

- a. Each Party's obligation to maintain and repair its own fiber optic cable and equipment, and any activity incidental thereto, shall not unreasonably conflict with the other Party's rightful use and operation of its facilities and equipment.
- b. Timely restoration is dependent upon the timely coordination and cooperation between both Parties. Each Party will provide the other, in writing, with its emergency contact/call-out list as soon as practicable following the effective date of this Agreement.

5.2.3 Restoration/Repairs of the Cable.
Reserved

6. FORCE MAJEURE

- 6.1 As used in this Agreement, the term "Force Majeure" means acts of nature (including but not limited to, earthquakes, fires, floods, windstorms, landslides, and ice storms), strikes, lockouts, or other labor disputes; acts of public enemy; acts of vandalism, wars, riots, and insurrection; epidemics; civil disturbances; explosions; train derailments; breakdown or failure of machinery or facilities (excluding the cable and cable accessories); accidents to machinery or equipment (excluding the cable and cable accessories), and delay in delivery of equipment, to the extent such occurrences are beyond the reasonable control of the Parties and any other event, cause, or condition beyond a Party's reasonable control, which, by the exercise of reasonable diligence, prevents the Party claiming Force Majeure from performing its obligations under this Agreement.
- 6.2 If either Party is unable to carry out its obligations under this Agreement as a result of an event, cause, or condition of Force Majeure, the Party claiming Force Majeure shall give notice and full particulars of such Force Majeure in writing to the other Party within five (5) calendar days of the beginning of the occurrence of the Force Majeure event, cause, or condition. Any obligations that such Party is unable to perform due to an event, cause, or condition of Force Majeure shall be suspended during the continuance of such event of Force Majeure. The Party claiming Force Majeure shall use reasonable efforts to remedy and minimize the effects of such event of Force Majeure with all reasonable dispatch.
- 6.3 Neither Party shall be liable, or be considered to be in material breach or default under this Agreement, on account of any delay in or failure of performance due to Force Majeure unless specifically stated in this Agreement.
- 6.4 If Force Majeure prevents restoration within one (1) year from the event of such Force Majeure, then either Party shall have the option to terminate this Agreement.
- 6.5 The obligations set forth in this section are expressly subject to the limitation of liability provisions contained in Section 11.

7. INSURANCE

7.1 Liability Insurance. Each Party shall, at its own expense, carry and maintain the following liability insurance coverage throughout the term of the Agreement:

7.1.1 General Liability Insurance: In the amounts of at least \$1,000,000.00 per occurrence/\$2,000,000.00 aggregate.

7.1.2 Each Party shall identify the other as an additional insured under the general liability insurance required under this Agreement. It is the sole responsibility of each Party to provide updated insurance information, in a timely manner, including any notices of cancellation or reduction in limits of insurance. Each Party will require that its insurer provide at least thirty (30) days' notice to the other Party regarding any changes in insurance coverage required by this Agreement.

7.2 Property Insurance. Each Party shall carry and maintain property insurance in a form that will provide all risk coverage for the fiber optic equipment or facilities upon or within the other Party's property.

7.3 Insurance Shall Not Limit Liability. Subject to the limitation of liability provisions set forth in Section 11, the insurance coverage and benefits required herein shall not be deemed to limit liability to either Party or any third party. In the event the minimum insurance limits specified in this Agreement are less than the maximum amount of insurance in effect at the time of claim or loss which arises from or is connected to the Agreement, each Party affirmatively agrees that all insurance limits available to it will be extended to the other Party as additional insured.

8. INDEMNITY, HOLD HARMLESS AND DUTY TO DEFEND

Subject to the limitation of liability provisions set forth in Section 11, each Party shall, at its sole expense, indemnify, defend, save, and hold harmless the other Party, its officers, directors, agents, members, and employees from all actual or potential claims or losses, including costs and attorneys' fees at trial and on appeal, and damages or claims for damages to property or persons, suffered by anyone whomsoever to the extent caused by any negligent or willful act of or omission of the indemnifying Party or its subcontractors, excluding damages caused by the negligence of the indemnified Party, its officers, directors, agents, or employees.

This indemnification includes, without limitation, any liability for injury to the person or property of either Party, its agents, officers, employees or invitees. Both Parties specifically waive any immunity provided by Title 51 RCW, Washington's Industrial Insurance Act. The provisions of this section shall survive the expiration or termination of this Agreement.

9. ASSIGNMENT

This Agreement cannot be assigned, transferred or any portion subcontracted by either Party hereto without the prior written consent of the other Party, which shall not unreasonably be withheld.

10. WAIVER

The consent by CUSTOMER or JNET to any act by the other shall not be deemed to imply consent or to constitute the waiver of a breach of any provision hereof or continuing waiver of any subsequent breach of the same or any other provision, nor shall any custom or practice which may arise between the Parties in the administration of any part of the provisions hereof be construed to waive or lessen the right of a Party to insist upon the performance by the other Party in strict accordance with the provisions hereof.

11. LIMITATION OF LIABILITY

- 11.1 THE PARTIES SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, LIQUIDATED, OR SPECIAL DAMAGES OR LOST REVENUE OR LOST PROFITS ARISING OUT OF THIS AGREEMENT OR THE PERFORMANCE OR NONPERFORMANCE OF ANY PROVISION OF THIS AGREEMENT.
- 11.2 SUBJECT TO SECTION 11.1, EACH PARTY'S TOTAL AGGREGATE LIABILITY FOR ANY AND ALL CLAIMS OR DEMANDS ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL NOT EXCEED THE TOTAL AMOUNT PAID BY THE OTHER PARTY PURSUANT TO THIS AGREEMENT.

12. NOTICE

Except as may otherwise be provided herein, any notices, except service of process and notice of emergency which may be given personally, telephonically, by e-mail or facsimile, shall be effective if personally served upon the other Party or if mailed by registered or certified mail, return receipt requested.

Notices mailed shall be deemed given on the date of mailing. The Parties shall notify each other in writing of any change of address.

13. BREACH OF AGREEMENT; REMEDIES; DISPUTE RESOLUTION

If either Party fails to comply with the terms and conditions of this Agreement, the other Party may pursue such remedies as are legally available, including, but not limited to, the immediate termination of this Agreement. In the event that a dispute arises under this Agreement, it shall be resolved as follows: Each Party shall appoint a member to a disputes board and be responsible for the costs of that appointee. These two members shall then select a third member not affiliated with CUSTOMER or JNET. The three-member board shall conduct a dispute resolution hearing that shall be informal and unrecorded. An attempt at such dispute resolution in compliance with the aforesaid process is a prerequisite to filing of any litigation concerning the dispute. The Parties shall share equally in the cost of the third member of the disputes board.

14. TERMINATION

14.1 Termination by Either Party. Either Party may terminate this Agreement upon written notification to the other Party of their intent to do so at least sixty (60) days prior to the expiration of the Initial Term. Should a terminating Party not notify the other Party of their intent to terminate the Services at least sixty (60) days prior to the expiration of the Current Term, the Services and Agreement will continue in effect for an additional one (1) year term ("Default Extended Term").

14.2 Termination by JNET. JNET may terminate this Agreement or any Service Order hereunder, or suspend any or all of the services included in the Services, with prior written notice, if:

- (a) CUSTOMER fails to pay any amounts due as provided herein within thirty (30) days of invoice date; or
- (b) CUSTOMER breaches any provision of this Agreement or any law, rule or regulation governing the Services; or
- (c) CUSTOMER provides false information to JNET regarding the CUSTOMER's identity, creditworthiness, or its planned use of the services; or
- (d) JNET deems it necessary to take any reasonable and lawful action to protect the property and rights of JNET, of NoaNet, and existing and potential customers of JNET's services.

Besides termination, any and all other remedies available to the JNET, in law or equity, are expressly preserved.

15. TERMINATION FOR CAUSE

Either Party may terminate this Agreement for Cause. "Cause" shall mean a breach by the other party of any material provision of this Agreement, provided that written notice of the breach has been given to the breaching party, and the breach has not been

cured within thirty (30) days after delivery of such notice. Besides termination, any and all other remedies available to the parties, in law or equity, are expressly preserved.

16. EARLY TERMINATION CHARGES

If (a) CUSTOMER terminates this Agreement or any Service Order hereunder for reasons other than Cause, as defined herein, or (b) JNET terminates this Agreement or any Service Order hereunder pursuant to Sections 14 or 15 of this Agreement, then CUSTOMER will pay, within thirty (30) days after such termination:

- (i) all accrued but unpaid charges incurred through the date of such termination, plus
- (ii) an amount equal to fifty percent (50%) of the "MRC" for the then current term (and any pro rata portion thereof for any partial then current term) remaining in the un-expired portion of the then current term on the date of such termination, plus
- (iii) a pro rata portion of any and all credits received by CUSTOMER. If CUSTOMER desires to cancel a Service Order prior to the Firm Order Confirmation the following conditions apply:
 - a. where an Service Order is canceled by the CUSTOMER prior to the start of any design work or installation of facilities, no charge applies;
 - b. when the Services require special design work, and the Services are canceled after the design work has begun, JNET, for itself and/or for NoaNet, may collect charges equal to the cost incurred for the associated design work time and materials to date; and
 - c. if cancellation is requested after completion of an installation, it will be treated as an early termination of the Services and will be handled pursuant to the terms of this Agreement.

In the event of early termination by either Party, CUSTOMER shall not be entitled to reimbursement of fees or charges already paid to JNET and shall not be entitled, thereafter, to receive the Services from JNET and/or NoaNet as specified in this Agreement.

This Agreement shall be governed by the laws of the State of Washington.

This Agreement and each of the terms and provisions hereof are deemed to have been explicitly negotiated between, and mutually drafted by, the Parties, and the language in all parts of this Agreement shall, in all cases, be construed according to its fair meaning and not strictly for or against either Party.

No agent, employee or representative of CUSTOMER shall be deemed to be an agent, employee, or representative of JNET for any purpose. No agent, employee or representative for JNET shall be deemed to be an agent, employee or representative of CUSTOMER for any purpose.
