The City also reserves the right to construct new streets and to alter the design of existing streets. In performing such work, provided the City complies with notification requirements of the Northwest Utility Notification Center ("call before you dig"), the City shall not be liable to POCKETINET for any damage so occasioned, but nothing herein shall relieve any other person or entity from the responsibility for damages to the facilities of POCKETINET.
- B. In the event that the City subsequently authorizes someone other than POCKETINET to occupy space under the surface of a Right-of-Way, such grant shall be subject to the rights herein granted or heretofore obtained by POCKETINET. 6. CONSTRUCTION PROVISIONS

- A. **Standards.** POCKETINET's System constructed within the City shall comply with all applicable federal, state and local laws.
- B. **Tree Trimming Removal.** To the extent permitted by law, POCKETINET shall have the authority after obtaining any consent legally required from any affected property owner to trim trees or other natural growth overhanging any of its cable System in the City so as to prevent branches from coming in contact with POCKETINET's wires, cables, or other equipment. POCKETINET shall reasonably compensate the City or property owner for any damages caused by such trimming, or shall, at its own cost and expense, reasonably replace all trees or shrubs damaged as a result of any construction, operation or maintenance of their System. POCKETINET shall be solely responsible for protecting the public health, safety and welfare on such City property from the time of disturbance until proper restoration. Failure of POCKETINET to replace or restore such City property within a reasonable time period after written notification by the City shall entitle the City to cause the proper restoration to be made at POCKETINET 's expense. POCKETINET shall pay to the City the cost thereof, in the itemized amounts reported by the City to POCKETINET, within thirty (30) days after receipt of such itemized report. Such payment shall not excuse a breach of the Franchise caused by POCKETINET 's failure to commence, pursue or complete the required work.
- E. Restoration of Property.** Whenever POCKETINET shall cause, or any person acting on its behalf shall cause, any disturbance, injury or damage to any private property or City property by or because of the installation, maintenance or operation of its Facilities, such disturbance, injury or damage shall be remedied fully by POCKETINET at its expense. Further, POCKETINET shall, at its own cost and expense, replace and restore the respective property in accordance with the City's Design Standards and Standard Construction Specifications within a reasonable time of the disturbance, injury or damage.
- F. Construction Necessary for Operation.** Subject to applicable laws, regulations and ordinances of the City and the provisions of this Franchise, POCKETINET may perform all construction necessary for the operation of its System. - G. Joint Trenching and Boring.** POCKETINET may make excavations in the Rights-of-Way for any Facility needed for the maintenance or extension of POCKETINET. Prior to doing such work, POCKETINET shall give appropriate notice to the City and the notification association in accordance with applicable law (namely the Northwest Utility Notification Center). When obtaining a permit, POCKETINET shall inquire in writing about other construction currently in progress, planned or proposed, in order to investigate thoroughly all opportunities for joint trenching or boring. Whenever it is possible and reasonably practicable to joint trench or share bores or cuts, POCKETINET shall work with other providers, licensees, permittees so as to reduce so far as possible the number of street cuts within the City. If POCKETINET reasonably anticipates that trenching will encounter tree roots, POCKETINET shall consult with the City prior to trenching.
- H. Emergency Repairs.** In the event that emergency repairs are necessary to any part of POCKETINET's System, POCKETINET shall immediately notify the City of the need for such repairs. POCKETINET may initiate such emergency repairs and shall apply for appropriate permits within seventy-two (72) hours after discovery of the emergency. POCKETINET shall comply with all applicable City regulations relating to such excavations or construction, including the payment of permits or license fees, and shall reimburse the City for any damage to City utilities as a result of the emergency repairs. Likewise, in the event emergency repairs are necessary to any underground municipal utility to ameliorate a serious

risk to the public health and/or safety, if the City knows or has reason to believe part of POCKETINET 's System is buried in the area which is to be excavated, the City shall immediately notify POCKETINET of the City's intent to excavate. Such notification shall be done in such manner as may be reasonably calculated under the circumstances of the emergency to provide POCKETINET with an opportunity to identify the location of any part of its System buried within the proposed excavation site. If the City then damages the System while making the emergency excavation, so long as its actions are not wanton, the City and its officers, employees, and contractor shall have no liability for the damage.

- I. Location of Facilities.** POCKETINET shall be a member of the Northwest Utility Notification Center. After any City department, licensee or permittee notifies POCKETINET of a proposed street excavation, in accordance with the rules applicable to such a member, POCKETINET shall, at POCKETINET 's expense:

 - iii. Notify the excavator that POCKETINET does not have any underground Facilities in the vicinity of the proposed excavation.
- J. Restoration of Streets.** If POCKETINET excavates the surface of any Right-of-Way, POCKETINET shall be responsible for restoration of the Right-of-Way in accordance with generally applicable specifications and regulations of the City. The City may, after providing notice to POCKETINET, resurface any opening made by POCKETINET in the Right-of-Way, and the expense thereof shall be paid by POCKETINET. The City may, after providing notice to POCKETINET, remove and/or repair any work done by POCKETINET which, in the determination of the City, is inadequate or unsatisfactory. The cost thereof, including the costs of inspection and supervision, shall be paid by POCKETINET. All of POCKETINET's work under this Franchise, and this Section, in particular shall be performed and completed in strict compliance with all generally applicable rules, regulations and ordinances of the City.
- K. Reservation of City Rights.** Nothing in this Franchise shall prevent the City from constructing or establishing any public work or improvement. All such work shall be done, insofar as practicable, so as not to obstruct, injure or prevent the use and operation of POCKETINET's System. However, if any of POCKETINET 's System unreasonably interferes with the construction, maintenance or repair of any public improvement, POCKETINET 's System shall be removed or replaced. Any and all such removal or replacement shall be at the expense of POCKETINET. Should POCKETINET fail to remove, adjust or relocate its Facilities by the date established by the City's written notice to POCKETINET, the City may affect such removal, adjustment or relocation, and the expense thereof shall be paid by POCKETINET.
- L. Building Codes.**
- i. POCKETINET shall strictly adhere to all building and zoning codes currently or hereafter in effect. POCKETINET shall arrange its lines, cables, and other appurtenances, on both public and private property, in such a manner as to cause no unreasonable interference with the use of said public or private property by any person. In the event of such interference, the City may require the removal or relocation of POCKETINET 's lines, cables, and other appurtenances from the property in question.
 - ii. All plans for aerial crossings near existing or proposed traffic signals, signs, flashers, or other traffic control devices shall be submitted to the City for approval. No crossings shall be permitted that obstruct traffic signals or other official traffic control devices.

M. Underground and overhead Construction.

- i. Preference for underground installation. In all sections of the City where the cables, wires, utilities or other like facilities are placed underground, POCKETINET shall place its wires or other like facilities underground. If at any time the City determines that existing wires, cables, utilities or other like facilities anywhere in the City shall be changed from an overhead to an underground installation, POCKETINET shall, convert its facilities to an underground installation. If POCKETINET 's wire, cable, utilities or other facilities are to be placed underground in a common trench or bore shared by others, POCKETINET shall share equally the expense of the trenching and/or boring in proportion to the number of joint users. POCKETINET shall pay for all cable, wire conduit, or facilities installed for POCKETINET 's own use. If POCKETINET owns the aerial supporting structures, the additional incremental cost of undergrounding compared to aerial allocation will be paid by the City. Where no overhead poles exist, all wires and facilities shall be constructed underground.
- ii. Overhead. In areas of the City where electrical or telephone Systems are installed on poles above ground, POCKETINET shall have the option of installing its System in like manner above ground or, alternatively, underground.

N. Rights-of-way Occupancy.

- i. Nothing in this Franchise shall give POCKETINET the right to attach its System to structures or poles owned by the City without consent of the City.
- ii. POCKETINET shall:
 - a) Locate and install all transmission lines, equipment and structures so as to cause minimum interference with the rights and reasonable convenience of property owners;
 - b) Keep and maintain all transmission lines, equipment and structures in a safe condition, and in good order and repair;
 - c) Place any fixtures in any Right-of-Way in such manner as not to interfere with the usual travel of the Right-of-Way or cause unsafe conditions of any sort;
 - d) Submit a traffic control plan to the City for approval and receive such approval at least 48 hours prior to commencing construction except in the case of emergency. Such traffic control plan shall be available for public inspection on the construction site at all times; and
 - e) Notify adjacent property owners, businesses, residents, and others specified by the City prior to construction and major maintenance projects.
- iii. POCKETINET shall not make street cuts or curb cuts unless absolutely necessary and only after a permit has been obtained from the City under such conditions as the City shall in its sole discretion determine.
- iv. Before beginning any excavation or other construction activity on a Right-of-Way which crosses or abuts any private property, POCKETINET shall clearly mark and delineate with flags, stakes or non-polluting water-soluble spray paint the boundaries of that Right-of- Way where it abuts or crosses the private property. 1. TRANSFER OF OWNERSHIP OR CONTROL

- A.** This Franchise shall not be assigned or transferred, leased or disposed of either in whole or in part by voluntary sale or involuntary sale, merger or consolidation, either legal or equitable or any right, interest or property therein, pass to or vest in any person, or entity without the prior written consent of the City Council, which consent shall not be unreasonably withheld. No consent will be required for a transfer in trust, mortgage, or other hypothecation as a whole or in part to secure an indebtedness.
- B.** POCKETINET shall promptly notify the City of any actual or proposed change in, or transfer of, or disposition of or acquisition by any other party of, control of POCKETINET. The word "control" as used herein is not limited to major stockholders but includes actual working control in whatever manner exercised. Every change, transfer, or acquisition of control of POCKETINET shall make the Franchise subject to cancellation unless and until the City Council shall have consented thereto, which consent will not be unreasonably withheld. For the purpose of determining whether it shall consent to such change, transfer, disposition, or acquisition of control the City Council may inquire into the qualifications of the prospective controlling party, and POCKETINET shall assist the City Council in any such inquiry.
- C.** The proposed assignee must show its legal and technical qualifications and its financial responsibility as determined by the City Council and must agree to comply with all the provisions of the Franchise. Unless POCKETINET and the City Council otherwise agree on an extension of time, the City Council shall be deemed to have consented to a proposed transfer or assignment in the event it has not acted within ninety (90) days of notice.
- D.** The consent or approval of the City Council to any transfer of the Franchise shall not constitute a waiver or release of the right of the City in and to the Rights-of-Way, and any transfer shall by its terms, be expressly subordinate to the terms and conditions of this Franchise.

- E. By its acceptance of this Franchise, POCKETINET specifically agrees that any such transfers occurring without prior approval of the City Council shall constitute a violation of this Franchise by POCKETINET. In no event shall a transfer of ownership or change of control be approved without the successor in interest becoming a signatory to this Franchise.
- F. Within thirty (30) days of any transfer or sale and upon request, if approved or deemed granted by the City, POCKETINET shall file with the City a copy of the deed, agreement, or other written instrument evidencing such sale or transfer of ownership or control certified and sworn to as correct by POCKETINET.
- G. Standards. The City may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and POCKETINET shall assist the City in so inquiring. The City may condition said sale or transfer upon such terms and conditions as it deems reasonably appropriate; provided, however, the City shall not unreasonably withhold its approval and any such terms and conditions so attached shall be related to the legal, technical, and financial qualifications of the prospective controlling party or transferee and to the resolution of outstanding and unresolved issues of noncompliance with the terms and conditions of this Franchise by POCKETINET.
- H. Common Control Exemption. Notwithstanding anything to the contrary in this Section, the prior written approval of the City Council shall not be required for any sale, assignment or transfer of the Franchise, the System or ownership to an entity controlling, controlled by, or under the same common control as POCKETINET.

SECTION 5. FINANCIAL AND INSURANCE REQUIREMENTS

POCKETINET shall be subjected to all permit fees associated with the activities undertaken through the authority granted in this franchise ordinance or under the laws of the City. The insurance policies obtained by POCKETINET shall name the City, its officers, officials, employees, agents and volunteers as an additional insured with regard to activities performed by or on behalf of POCKETINET. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees or volunteers. POCKETINET 's insurance shall be primary insurance as respects the City, its officers, officials, employees, agents and volunteers. Any insurance maintained by the City, its officers, officials, employees, agents and volunteers shall be excess of POCKETINET 's insurance and shall not contribute with it. - B. Insurance - No Limitation.** POCKETINET 's maintenance of insurance policies required by this Franchise shall not be construed to excuse unfaithful performance by POCKETINET or to limit the liability of POCKETINET to the coverage provided in the insurance policies, or otherwise to limit the City's recourse to any other remedy available at law or in equity.

3. INDEMNITY

POCKETINET shall, at its sole cost and expense, indemnify and hold harmless the City, City Council, and any officers, employees and agents who have acted in their official capacities, boards and commissions, (collectively referred to as the "City" in this Section) and shall pay all damages and penalties which the City may be legally required to pay as a result of any act or omission by POCKETINET in the operation of the System throughout the term of this agreement. POCKETINET shall have the right to defend, settle or compromise any claims arising hereunder. In the event of a final judgment being obtained against the City as a result of any act or omission by POCKETINET in the operation of the System, POCKETINET shall pay the judgment and all costs and hold the City harmless there from. Nothing in this Franchise shall be interpreted to abridge or otherwise affect the City's right to intervene or participate in any suit, action or proceeding involving any provisions of this Franchise. POCKETINET shall pay all expenses incurred by POCKETINET and the City in defending with regard to all damages as set forth in this Section. These expenses shall include, without limitation, all out-of-pocket expenses, reasonable attorneys' fees, witness and discovery costs and the reasonable value of any services rendered by the City Attorney and its office, and any other agents and employees of the City.

 - ii. Attempt to evade any material provision of the Franchise or practice any fraud or deceit upon the City;
 - iii. POCKETINET abandons the System or terminates the System 's operations.

- C.** The City shall make a written demand that POCKETINET comply with any such provision, rule, order, or determination under or pursuant to this Franchise. If the violation by POCKETINET continues for a period of thirty (30) days following such written demand without written proof that the corrective action has been taken or is being actively and expeditiously pursued, or if the City Council believes that POCKETINET cannot or is not making good faith efforts to comply with such written demand, the City Council may appoint a hearing examiner to take under consideration the issue of termination of the Franchise. The City shall cause to be served upon POCKETINET, at least twenty (20) days prior to the date of such hearing, a written notice of intent to request such termination and the time and place of the hearing. Public notice shall be given of the hearing and issue(s) which the City Council or hearing examiner is to consider.
- D.** The City Council or hearing examiner, if appointed, shall hear and consider the issue(s) and hear any person interested therein, and determine in its discretion, whether or not any violation by POCKETINET has occurred. POCKETINET shall be entitled to participate fully in the hearing process, including a presentation of evidence and questioning of witnesses, so that the record will include all information pertaining to the alleged violation.

If the violation cannot be cured, or if it is determined that POCKETINET is unwilling to cure said violation, the Franchise may be forfeited or terminated. If the violation can be cured, the City Council or hearing examiner, if appointed, shall specify the action or actions to be taken by POCKETINET to cure the violation and set a compliance date. If there is no compliance within the period stated, then the City Council may terminate the Franchise. Such determination shall be subject to judicial review in the Superior Court.

2. FORECLOSURE

Upon the foreclosure or other judicial sale of all or a substantial part of the System, or upon the termination of any lease covering all or a substantial part of the System, POCKETINET shall notify the City of such fact, and such notification shall be treated as a notification that a change in control of POCKETINET has taken place, and the provisions of this Franchise governing the consent of the City Council to such change in control of POCKETINET shall apply.

If POCKETINET fails to commence removing or operating its Facilities within thirty (30) days of request and proceeds diligently with the removal, the City may perform the work at POCKETINET 's expense. However, in the event that POCKETINET is prevented or delayed in the performance of any of its obligations under this Franchise by reason of force majeure, POCKETINET 's performance shall be excused during the force majeure occurrence and POCKETINET thereafter shall, under the circumstances, promptly perform the affected obligations under this Franchise or procure a substitute which is satisfactory to the City.
